начальник отдела МБУ ДПО «СОИРО»;  
**Рудаков Александр Владимирович**,  
к.ф.н., начальник отдела МБУ ДПО «СОИРО»

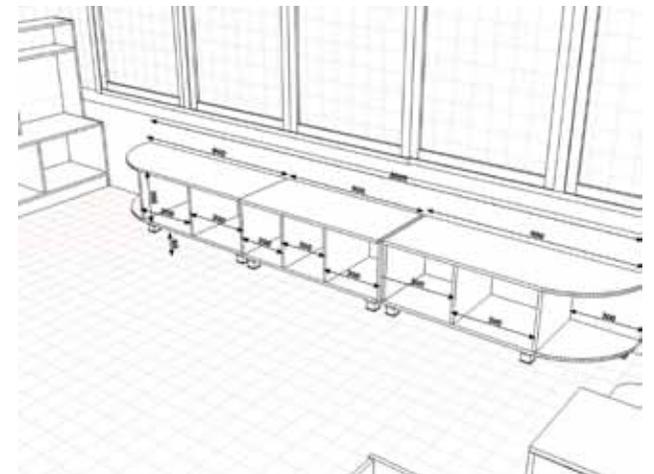

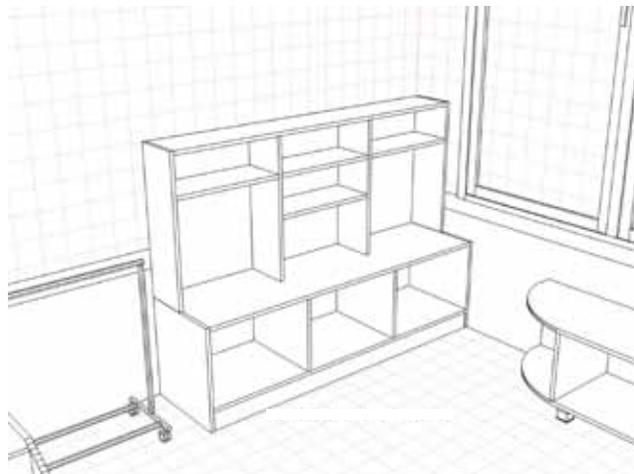

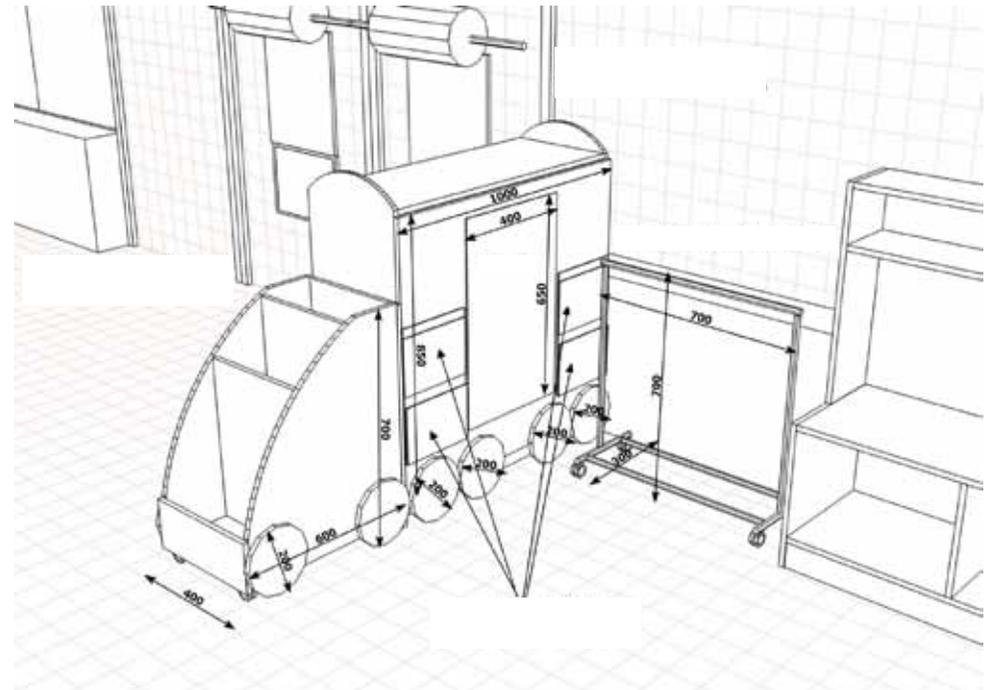

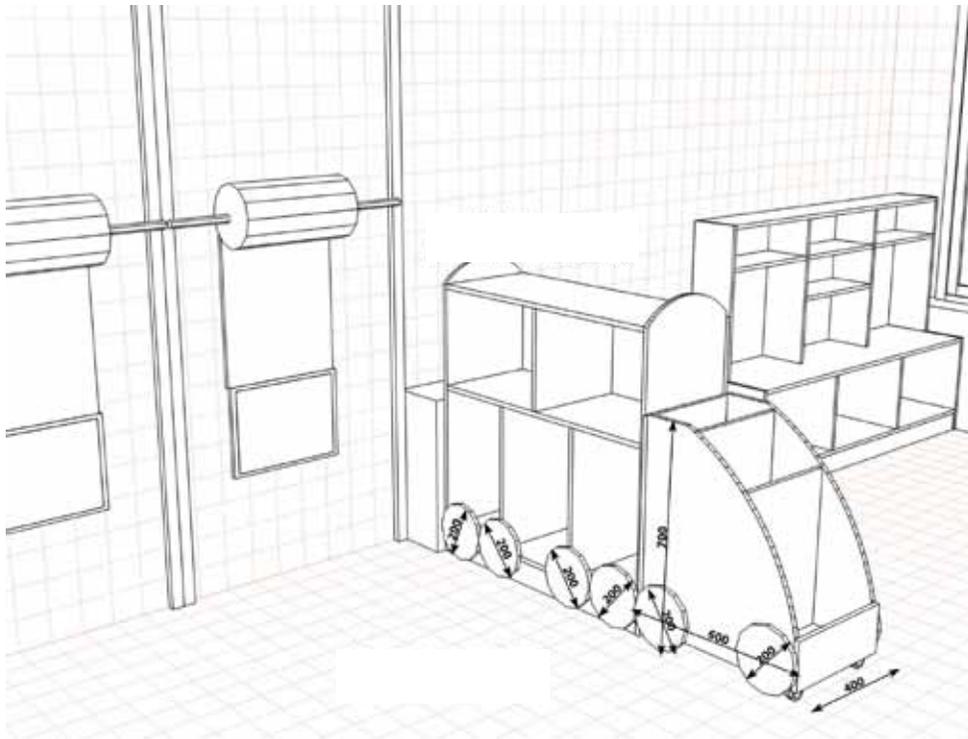

# ПРОЕКТ №1

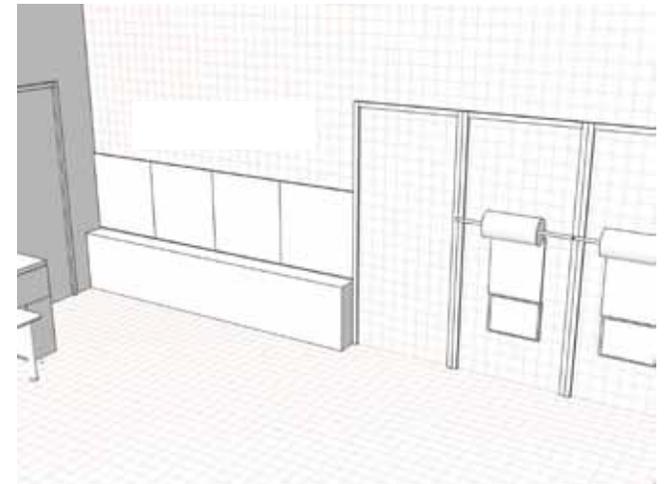

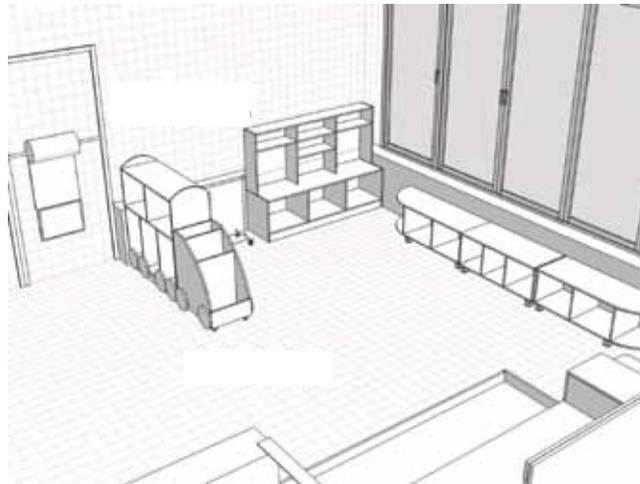

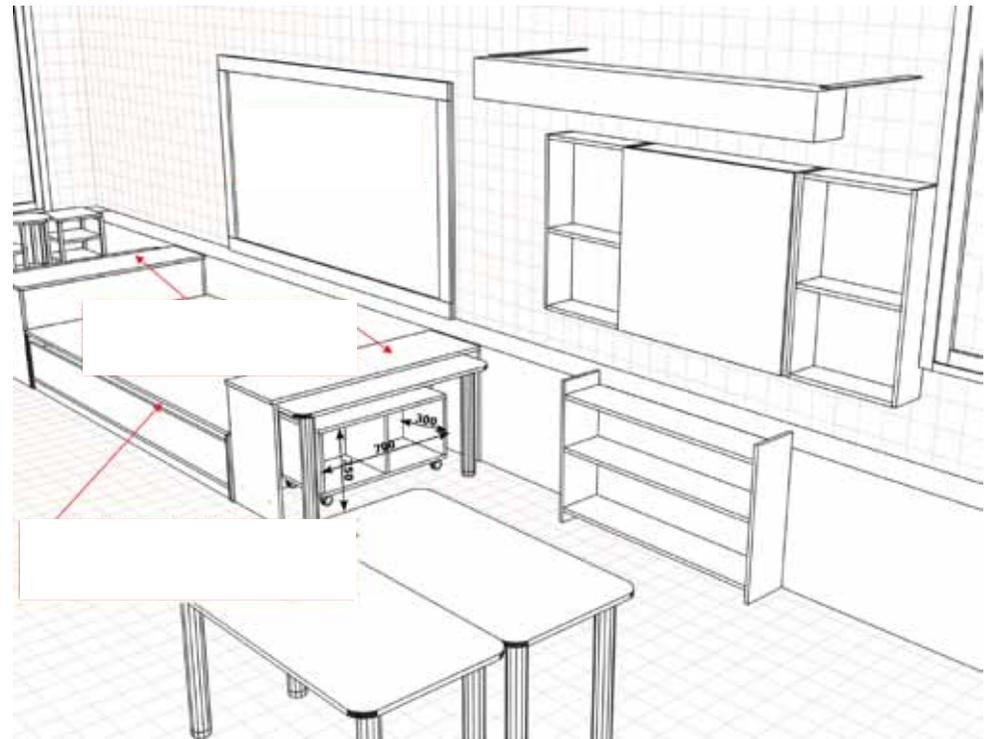

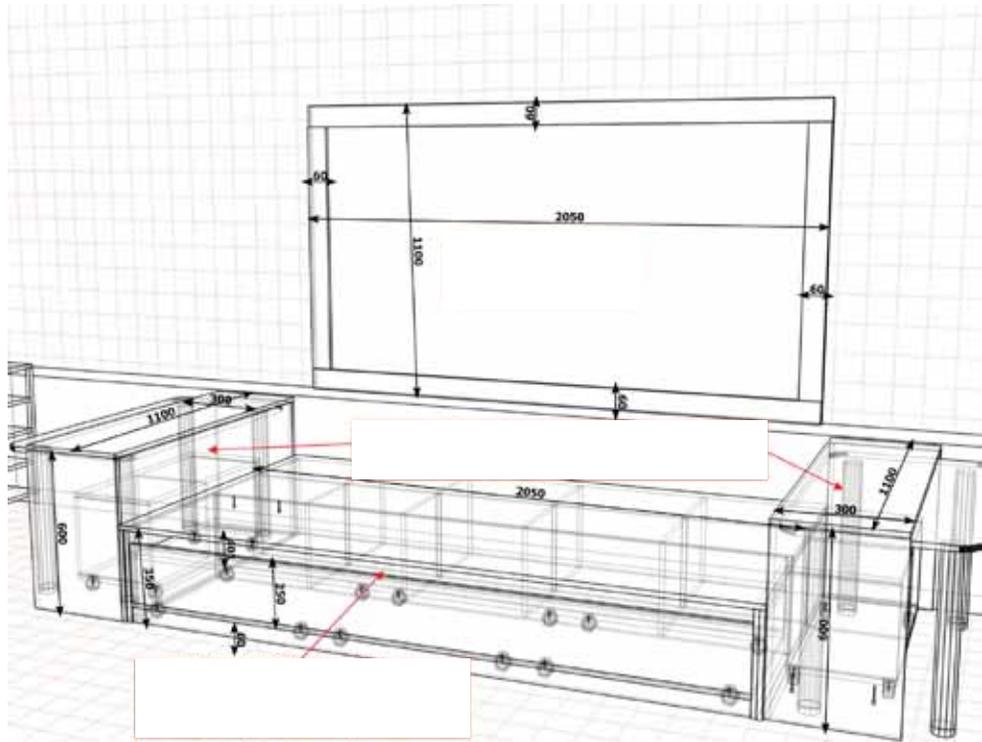

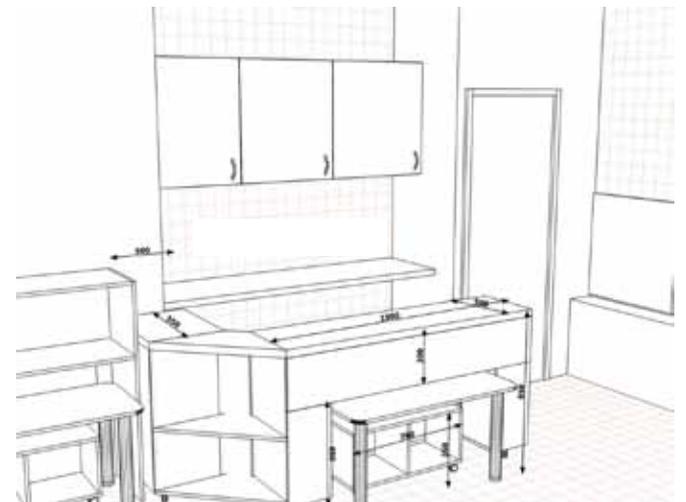

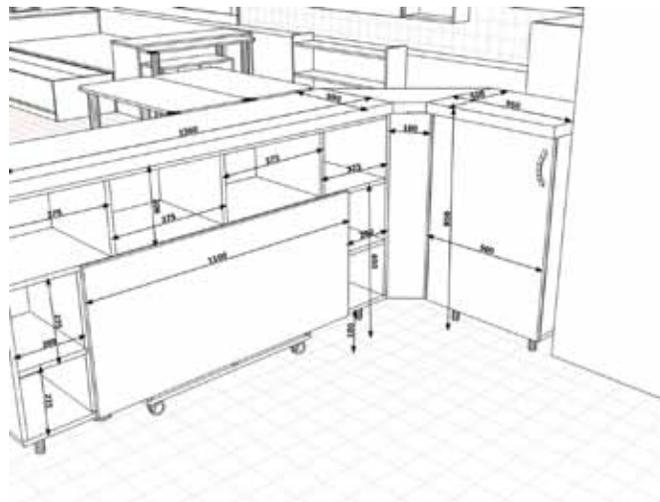

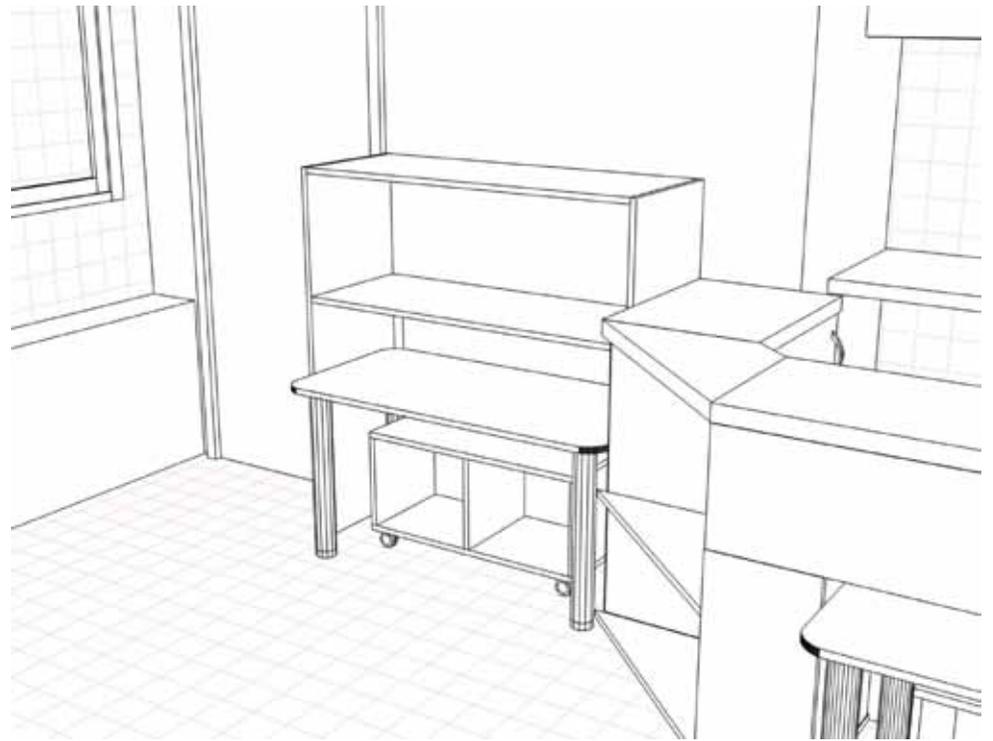

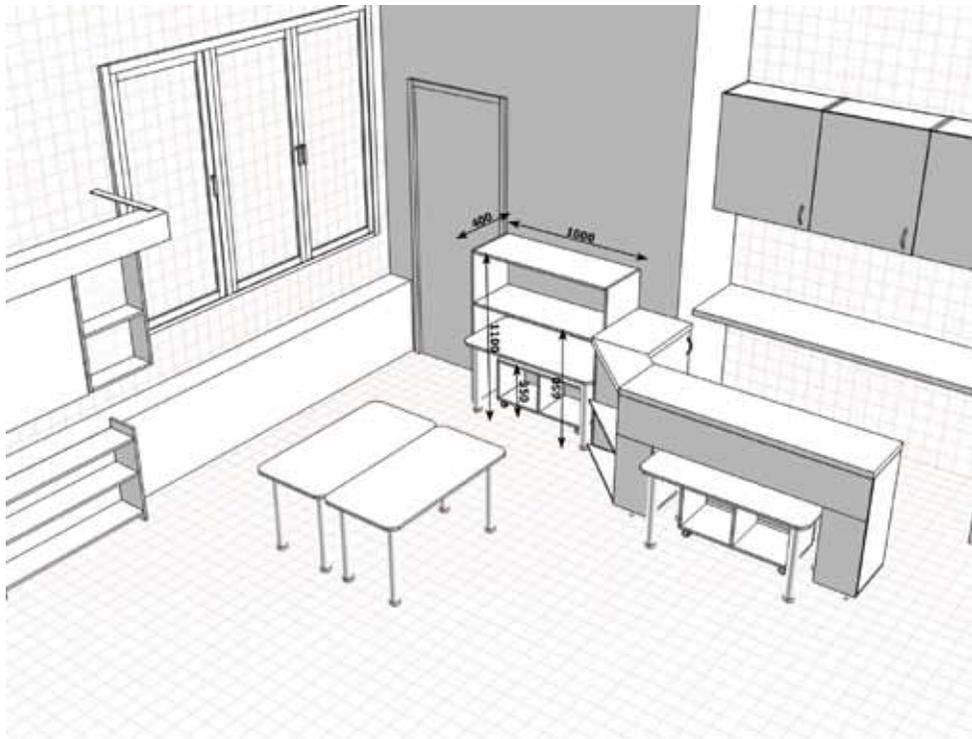

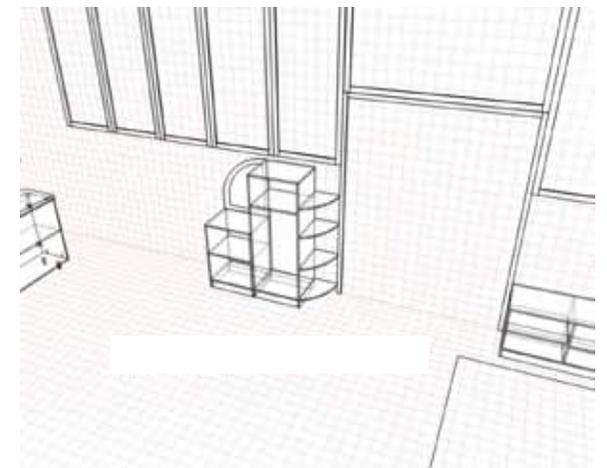

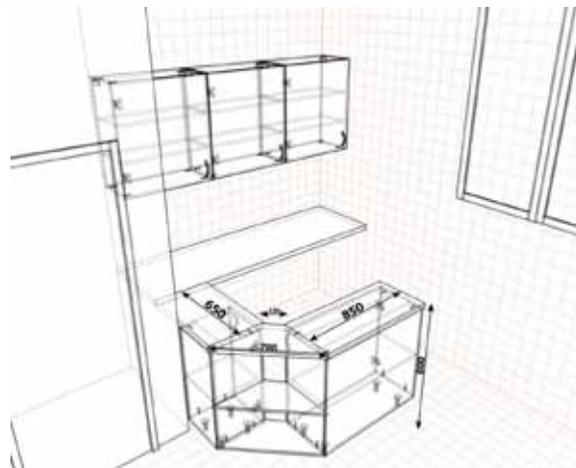

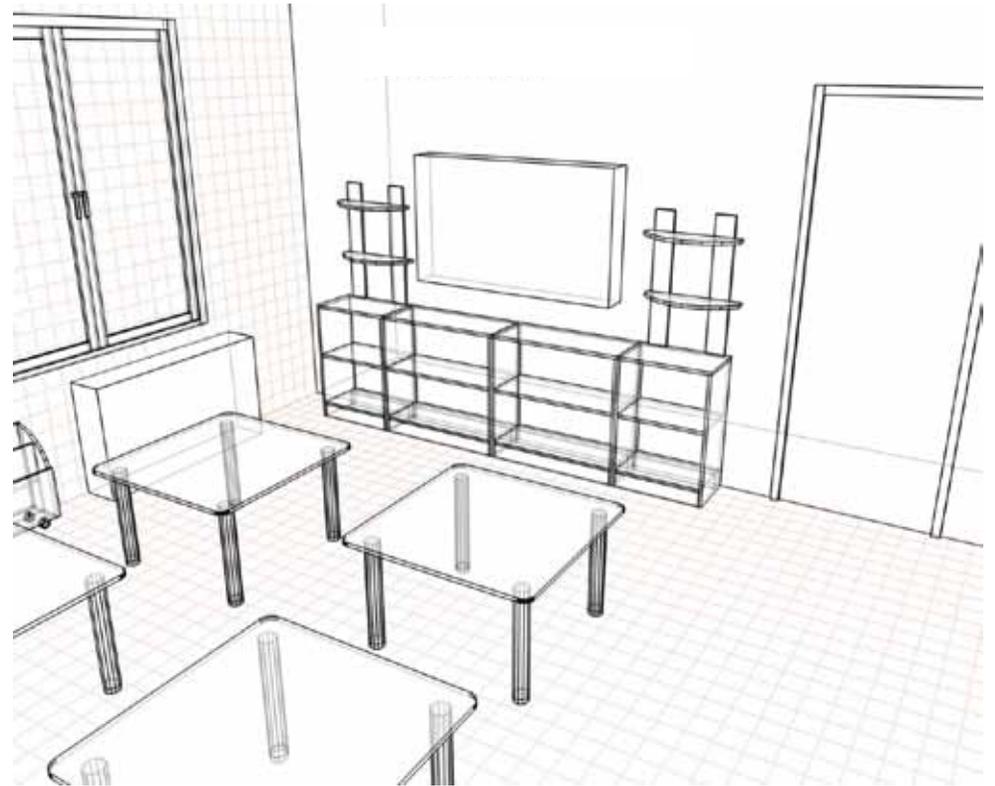

# ПРОЕКТ №2

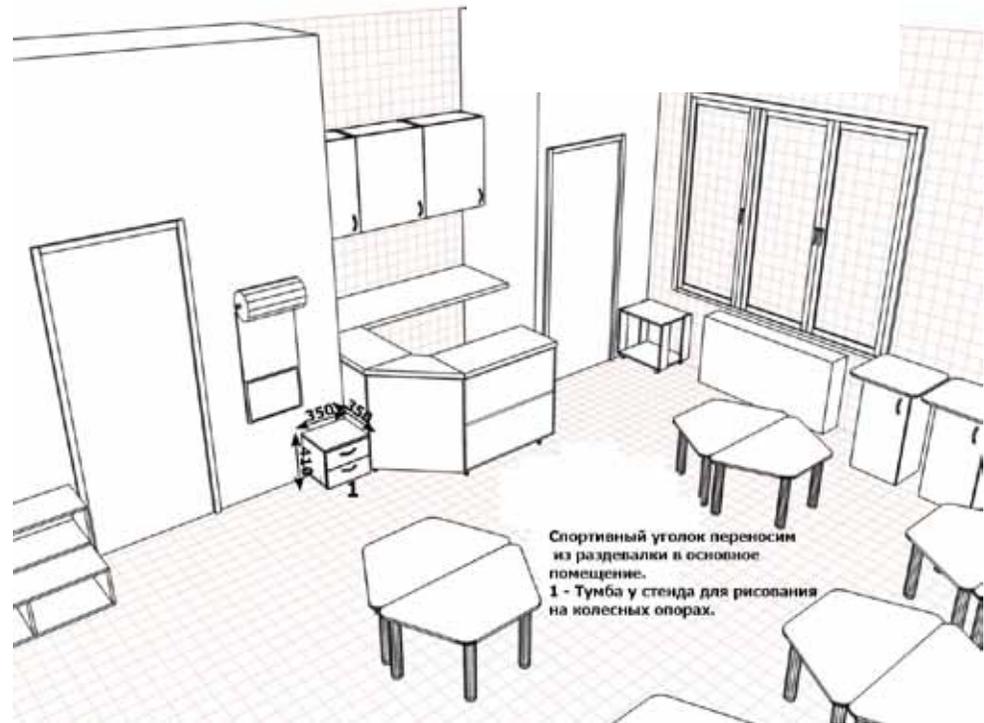

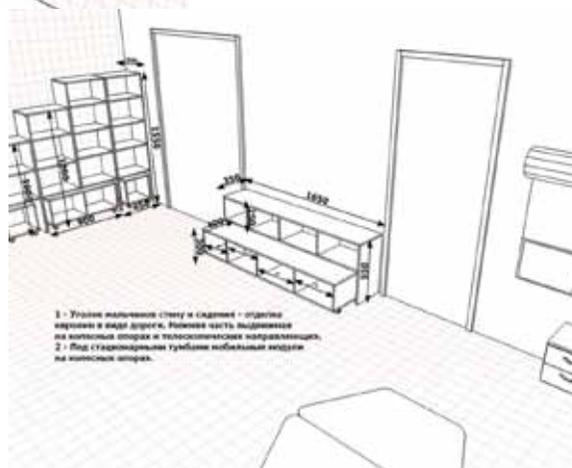

# ПРОЕКТ №3

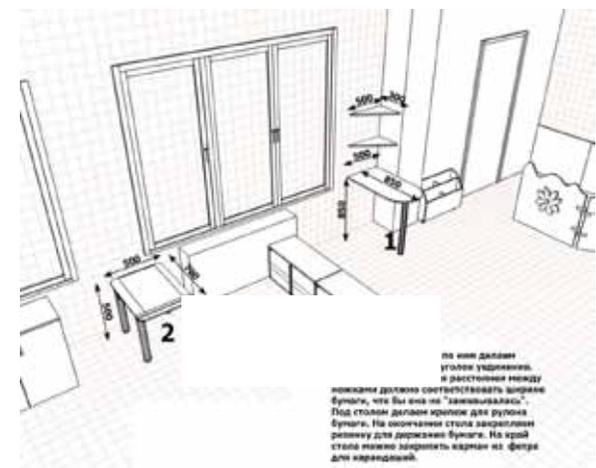

Спортивный уголок переносим из раздевалки в основное помещение.  
 1 - Тумба у стенда для рисования на колесных опорах.

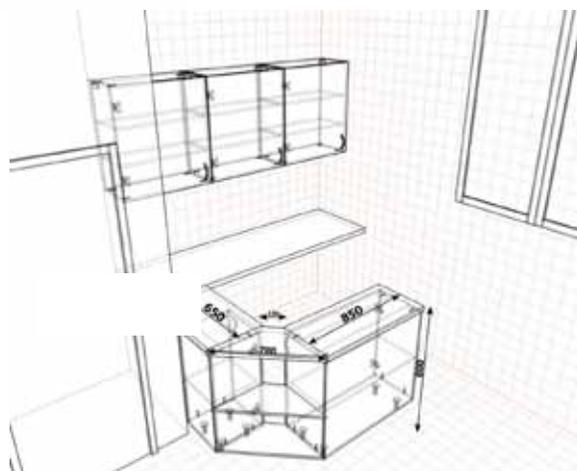

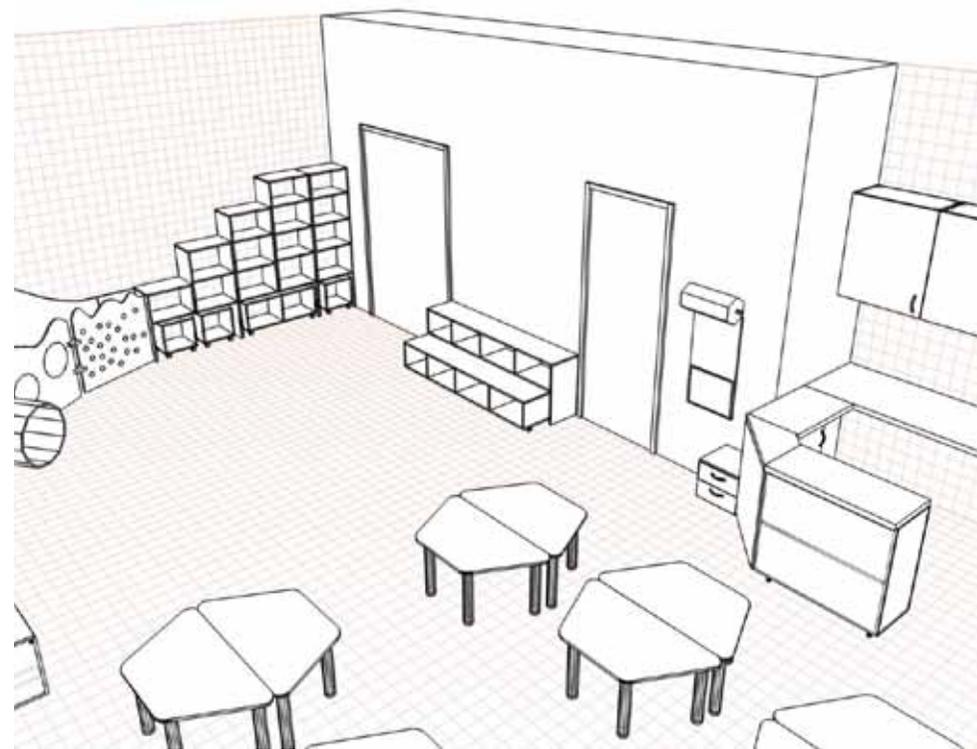

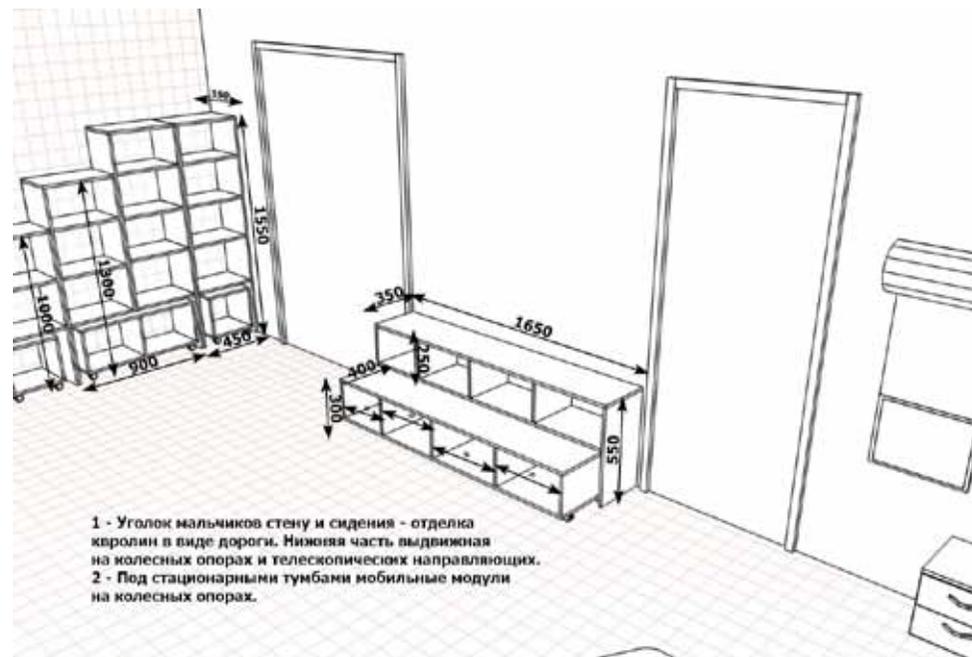

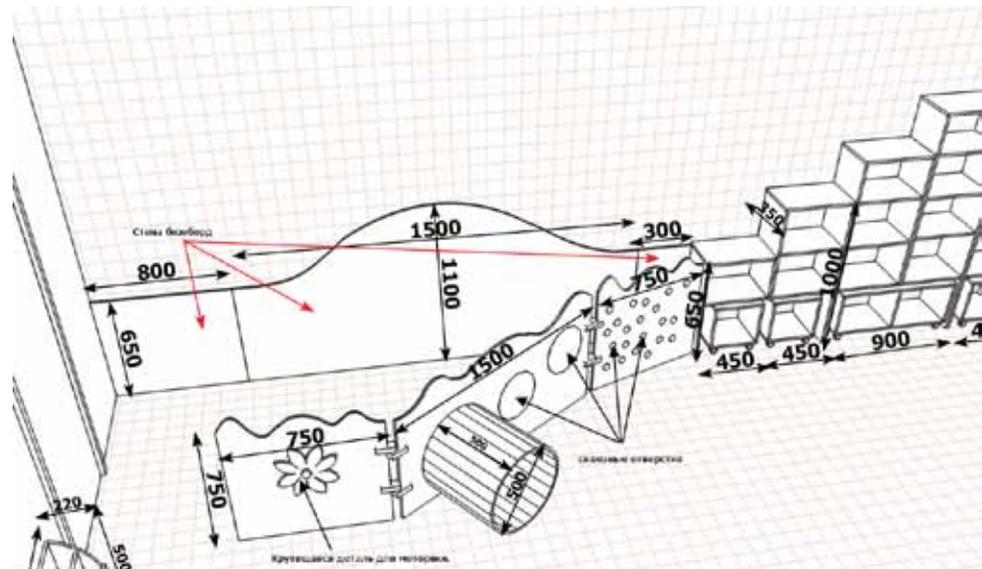

1 - Уголок мальчиков: стеллаж и сиденье - отделим картами и киди друзей. Нижняя часть поднимается на колесных опорах и телескопически выдвигается.  
 2 - Под стандартными глубинами мобильные модули на колесных опорах.

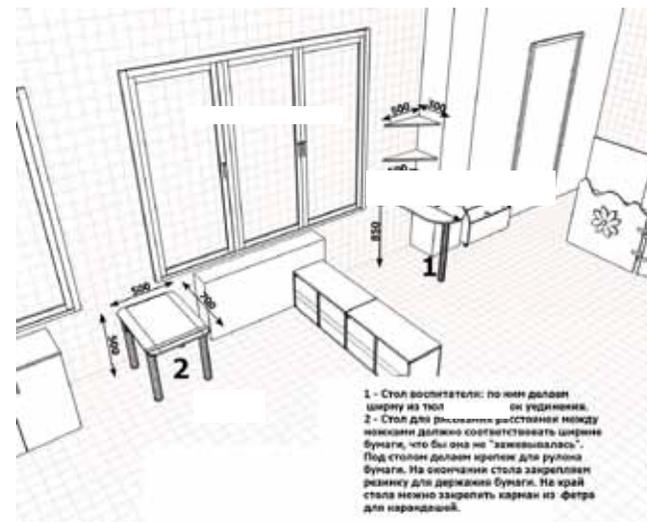

на нем должен уголок укреплен, и расстояние между ножками должно соответствовать ширине бунга, что бы она не "запикивалась". Под столом делаем кронштейн для рулона бумаги. На окончании стола закрепляем решотку для держания бунга. На край стола можно закрепить картинку из фотки для карандашей.

# ПРОЕКТ №4

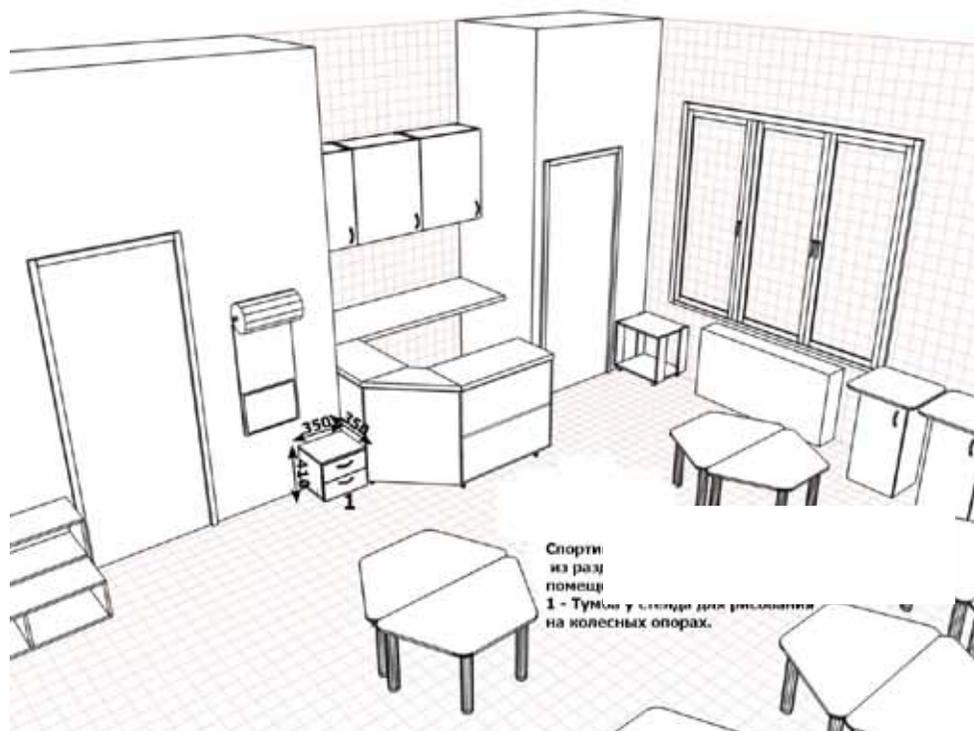

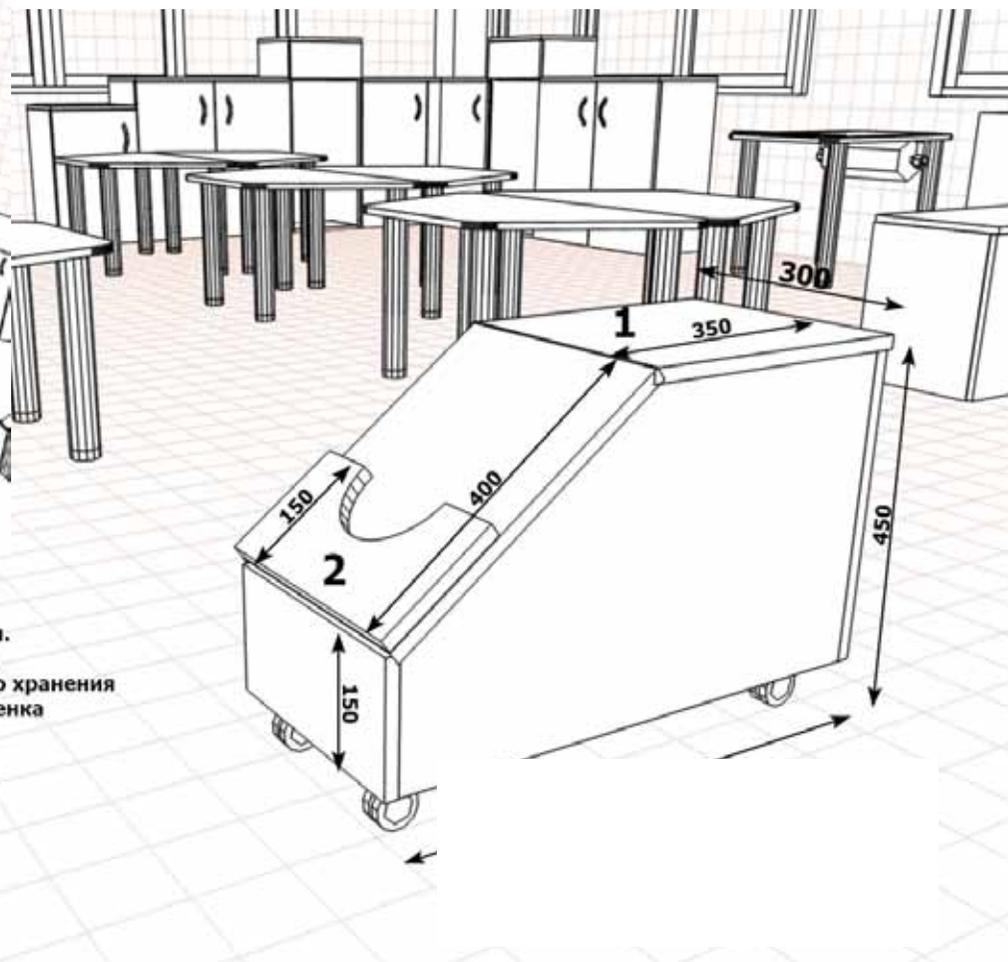

1 - Уголок мальчиков стены и сидения - отделка керолин в виде дорожки. Нижняя часть выдвигаемая на колесных опорах и телескопических направляющих.  
 2 - Под стационарными тумбами мобильные модули на колесных опорах.

1 - Стол воспитателя: по нему делают ширину из туал на рядышком.  
 2 - Стол для оптимального расстояния между ножками должно соответствовать ширине бумаги, что бы она не "защавилась". Под столом делают крепления для рулона бумаги. На оформлении стола закрепляют ремешки для держания бумаги. На край стола можно закрепить карман из фетра для карандашей.

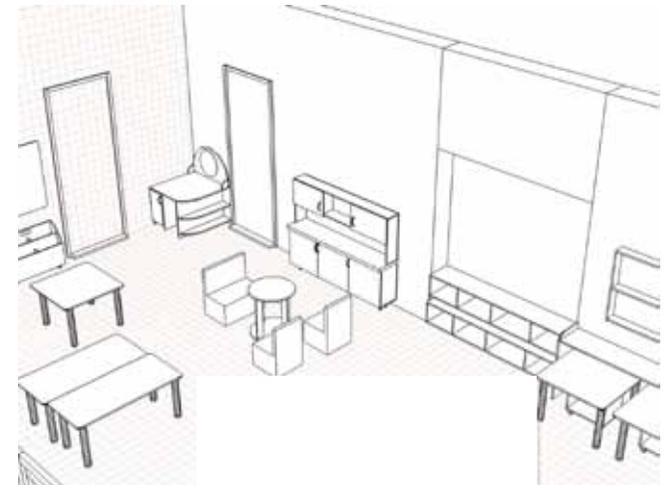

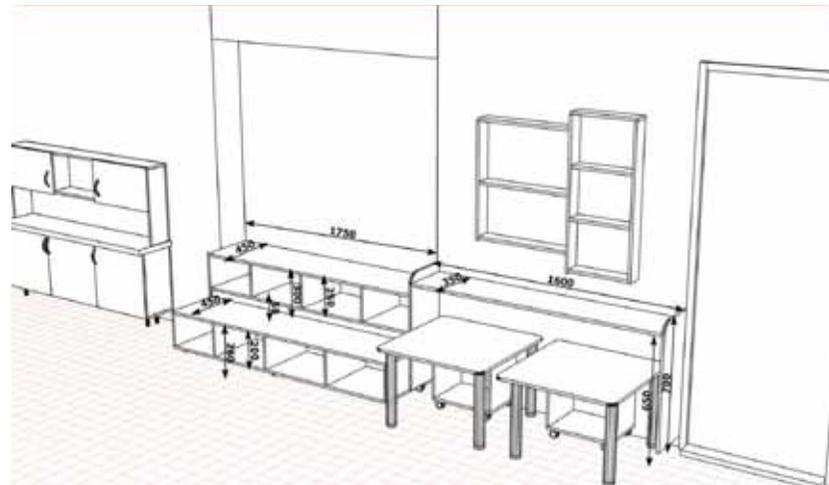

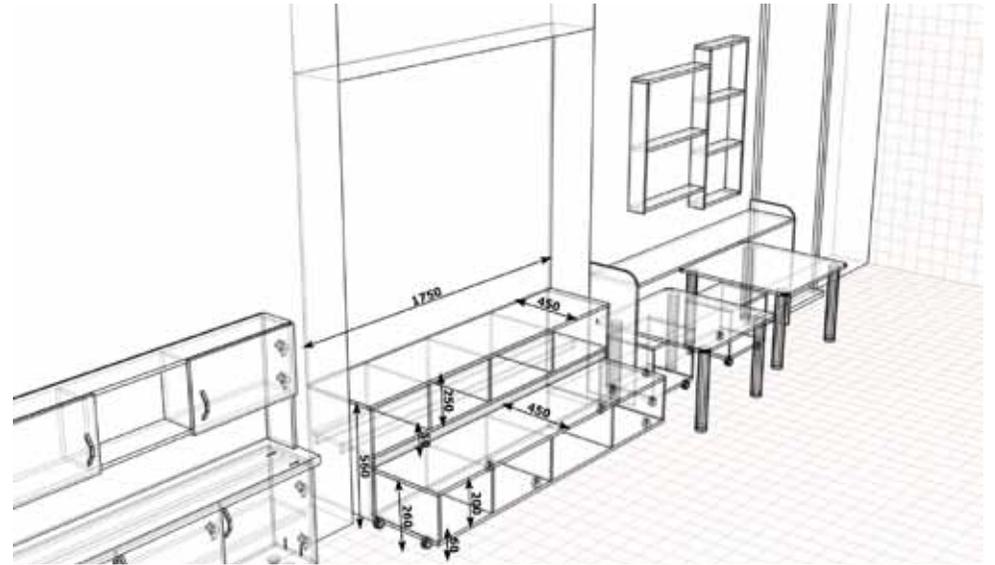

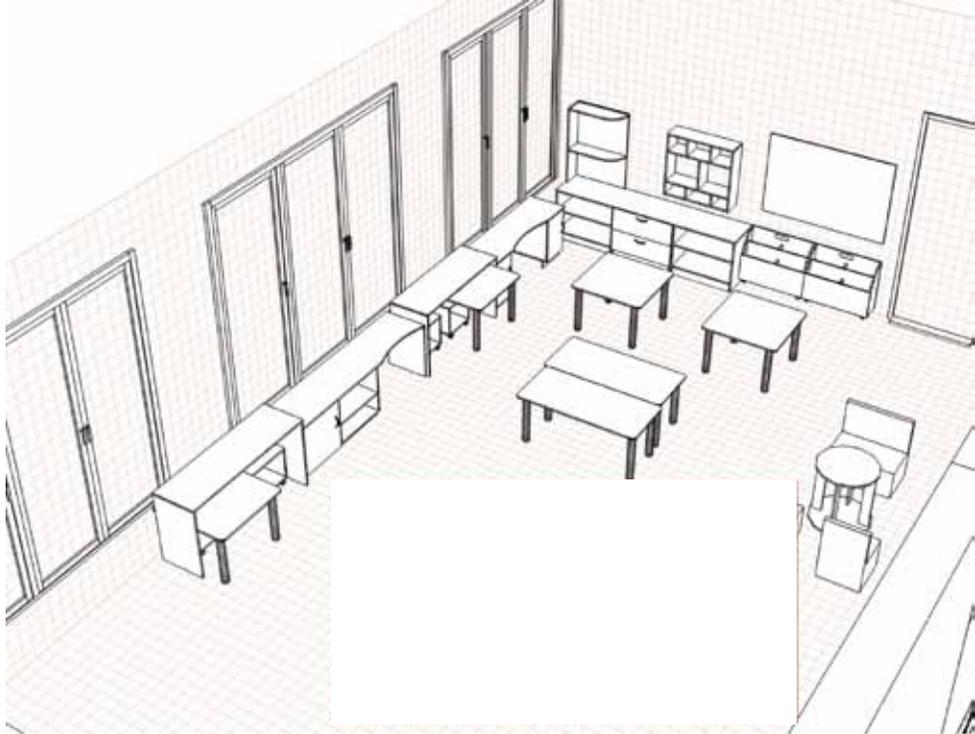

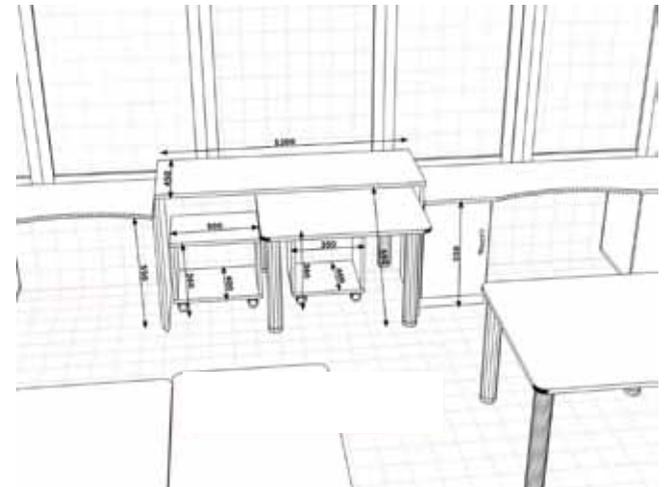

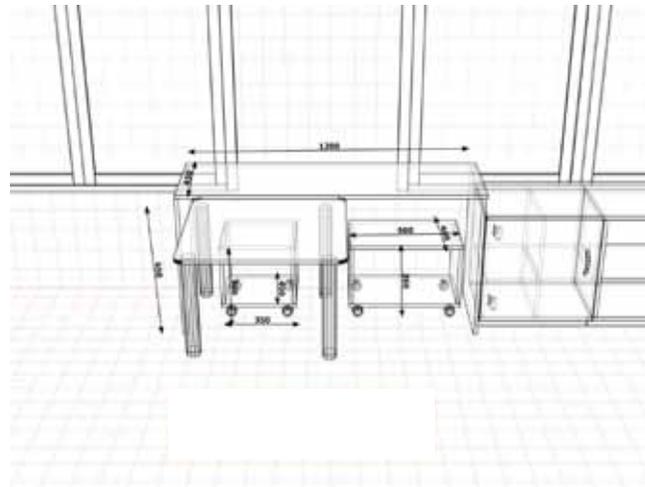

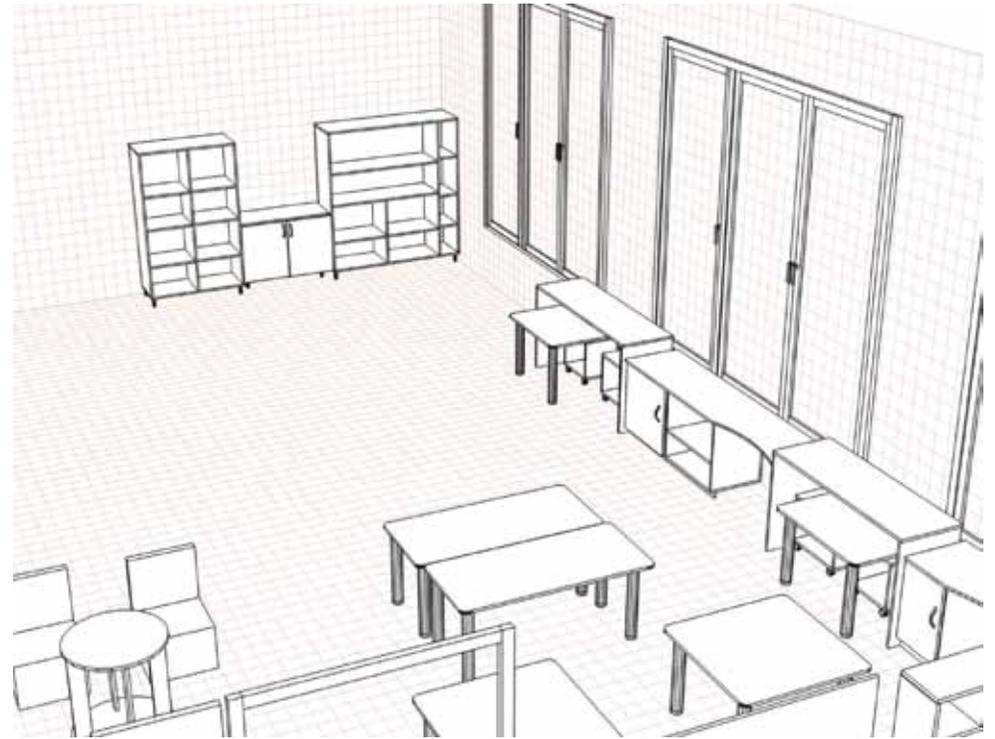

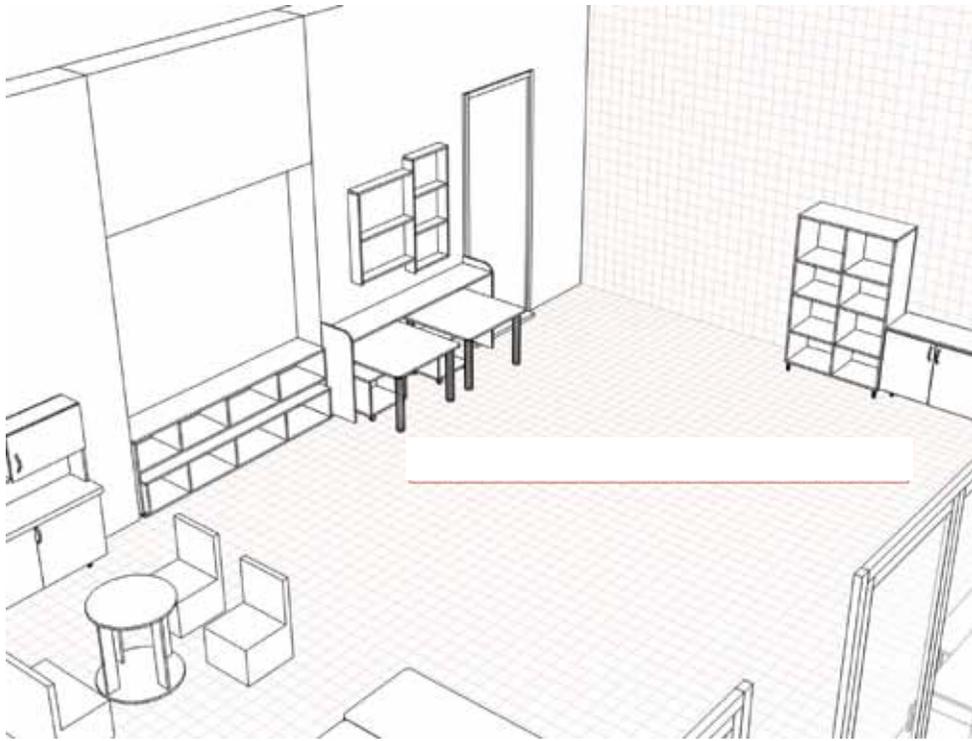

Спортзал из раз. помещ.  
 1 - Тушма у. столу для упражнения на колесных опорах.

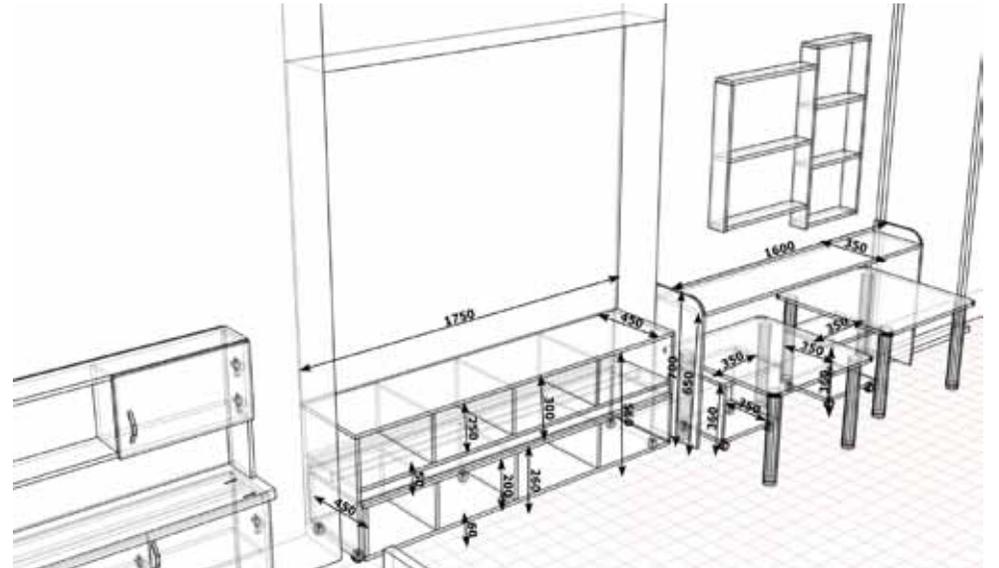

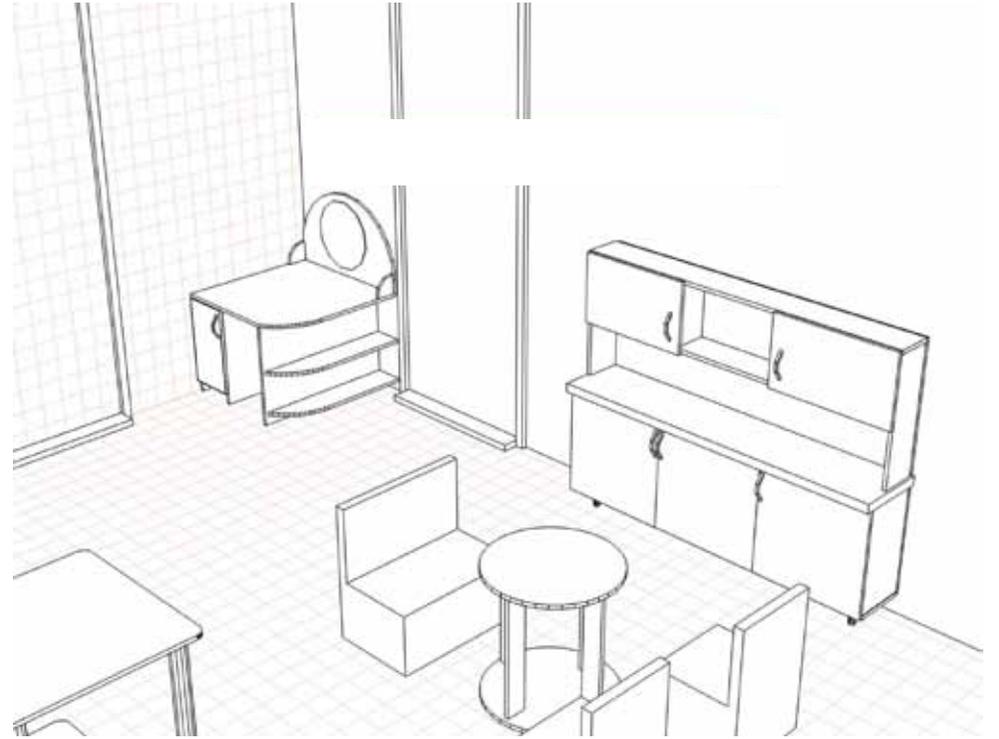

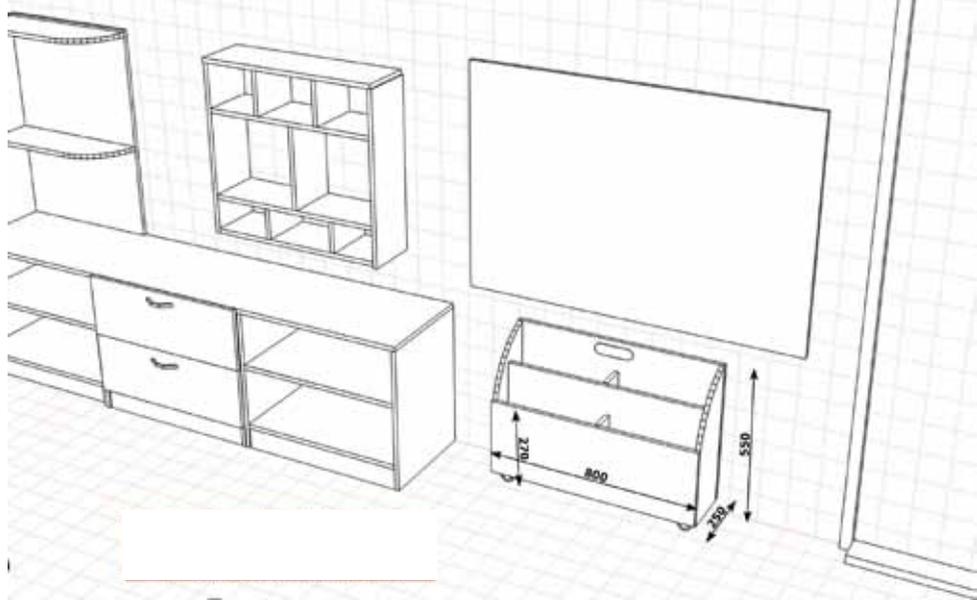

Челнок для обувания.  
 1. Откидная крышка для дополнительного хранения  
 2. База для ноги ребенка
